

Dear Members and Friends of the  
Immaculate Conception Parish School Community,

3285 Cathedral Avenue  
Prince George, BC V2N 6R4

On Wednesday, October 15, 2025, Father John blessed our beautiful, new accessible and inclusive garden and prayer space. Over two hundred students, staff, parents, grandparents, parishioners, and neighbours attended. The blessing was followed by a rosary prayer service.

Since this new space was first proposed over a year and a half ago, there has been overwhelming support from our parish school community. Our work-bees were very well attended and volunteers of all ages spent many hours working together in a great spirit of cooperation. School and parish staff members gave many additional hours organizing planning committees to ensure everyone's input was considered in the planning process. Parish Pastoral Council, School Council, IC Parent Support Group and the Knight of Columbus Domano Council were all supportive right from the start. Donations of materials and labour were received from our own as well as from the broader community.

**We would like to take this opportunity to acknowledge and sincerely thank all of our amazing volunteers and supporters who came together to make this happen. We could not have done this without you**

It is our hope that this space will become a place for our community to gather, play, and pray for many years to come.

With sincere gratitude,

The Immaculate Conception Accessible and  
Inclusive Outdoor Learning Space  
Coordinating Committee.
